The Car Symposium, Car Connects Bochum and Car Battery are events organized by Car (D+S Automotive GmbH). Prices do not include the statutory value added tax. Agency commissions or the like are not at the expense of the named organizers. With my signature I agree to the use of the above mentioned personal data according to DSGVO. Further information on data protection can be found on our homepage.

Due to the Corona Pandemic, changed cancellation conditions apply: Cancellation of participation is possible completely free of charge up to eight weeks before the event. Up to 4 weeks before the event, the cancellation fee is 50% of the booking amount, after that 100%. If the event is officially prohibited by the authorities, this will result in the organizer being released from its obligation to perform (e.g. providing exhibition space) and the Partner being released from its obligation to pay the Partner's fee.

The General Terms and Conditions (GTC) of D+S Automotive GmbH published at www.car-future.com shall apply. All bookings are subject to availability.
